1. Amp up your eye game with the Terrybly Paris Palette, inspired by the capital of love. This Asia-exclusive palette from By Terry is composed of 10 pink and earth tones, and features an illustration of iconic Parisian landmarks across each pan. www.byterry.com

2. Sisley's Phyto-Eye Twist now comes in three new shades – mysterious matte black, seductive black rose and brightening pale pink. These twist-up colours are waterproof and contain active skincare ingredients to soothe delicate eyelids. www.sisley-paris.com

3. Encased in luxurious yet sustainable packaging, Italian-made Kjaer Weis Cream Eye Shadow comes in four colours in solid or subtly shimmery finishes promising long-lasting wear. Products are CCPB Certified Organic and use a refillable system of compacts to reduce waste. www.kjaerweis.com

4. The Palette Perfection Eye Quad from lilah b. is a swivel compact with four shades. They can be applied wet or dry, as eyeliner or to define brows. All products are made in Milan with nourishing ingredients, free from gluten, parabens, sulfates and synthetic fragrances. www.lilahbeauty.com

5. Shine bright with the new Star Lit Palette from Make Up For Ever. This extensive palette features 18 shades comprising six colours in matte, metallic and chrome finishes. www.makeupforever.com

6. The new Purple Rain palette from Jane Iredale Eyeshadow Kit is sleek mirrored with highly pigmented, crease-resistant, jewel purple tones that can be used alone or together. www.janeiredale.com
