1. The **100% Pure** Fruit-Pigmented Rose Gold Palette is made up of fruit, vegetable and other natural, plant-derived ingredients that are rich in antioxidants. This all-in-one kit has a highlighter, blush and three eyeshadows in warm shimmery and metallic colours. www.100percentpure.com

2. **Babor** brings back retro colours of 1950s Americana for a fresh spring and summer look. The Pastel Colour Collection offers four powder eyeshadows in coral and earthy shades, two that double as blush, as well as two rosy glosses for shiny or holographic lips. www.babor.com

3. Inside **Aether Beauty's** Rose Quartz Crystal Gemstone Palette are 12 eyeshadows that range from ultra-matte to duochrome, with a matte charcoal shade that can be used to line the eyes, containing rose quartz powder for brightening. The paper used in its packaging is fully recyclable. www.aetherbeautyco.com

4. This innovative, multi-use Loose Pigment palette by 100 per cent cruelty-free brand **Iconic London** helps you glam up on the go. Choose from the bronzy Original palette, vibrant Doll with greens and purples or dramatic Boss for a smokier look to keep you in the spotlight from day to night. www.iconiclondoninc.com

5. Known for their colour range and for being cruelty-free, **Barry M** has created a Glitter Cream Palette that allows for convenient application of pigmented sparkle in six different shades to the eyes, face or body without a glue or primer. www.barrym.com

6. The Zodiac Love Signs by the cruelty-free and vegan brand **BH Cosmetics** gathers heavenly hues into one pigmented palette. For each of the 12 horoscopes is one matte and one shimmer shade, and both warm and cool-toned colours. Add extra illumination with the baked highlighter in the centre. www.bhcosmetics.com
